

II:01:14 RE-SELLING OF EXAMINATION COPIES OF TEXTBOOKS

Complimentary copies of textbooks, including annotated instructor's copies, should not be offered for resale.

Faculty-solicited textbooks should be used for their intended purpose for legitimate academic review for classroom purposes. It is unethical for faculty to resell examination and desk copies of texts solicited from publishers.

Faculty are encouraged to dispose of unsolicited textbooks by donating them (to the library, to students, to organizations, etc.), or by returning them to the publisher.
